KAISER, *Consul.*

Quarantine against San Francisco raised.

[Telegram.]

CITY OF MEXICO, MEXICO, *March 21, 1903.*

WYMAN; *Washington, D. C.:*

I hereby notify you that quarantine against San Francisco has been raised and that the steamers will only be inspected for the purpose of killing rats and mice found thereon.

LICEAGA.

PHILIPPINE ISLANDS.

Outgoing quarantine at Iloilo discontinued.

Passed Assistant Surgeon Perry, chief quarantine officer for the Philippine Islands, reports, February 12, as follows: In view of the fact that no cases of cholera had occurred in Iloilo since December 21, 1902, the outgoing quarantine enforced at that port was discontinued on January 19, 1903.

The SURGEON-GENERAL.

Weekly report of the outgoing quarantine at Manila, P. I., instituted for the protection of other Philippine ports on account of the prevalence of cholera in Manila, week ended February 7, 1903.
